Oh sorry, I realized my downlink added some text that was not correct. None of that lightening text should be there.

It should just be <https://download.ring.com/ontario> [\[download.ring.com\]](https://download.ring.com)

Thank you,

Hi Sgt Russell,

Nice chatting with you!

Your simple text code is "ontarioca" to 555-888 and download link
is <https://download.ring.com/ontario> [\[ring-neighborhoods.lightning.force.com\]](https://ring-neighborhoods.lightning.force.com)

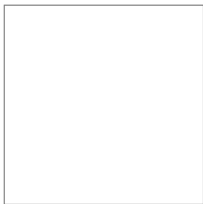

Here is the example of an agency that created their own post on Portal letting their fellow Neighbor App users know they've joined.

Thank you,
